## SPEAKER PROFILES

### **Dr Carmel Crock**

Dr Carmel Crock is the Director of A&E RVEEH, a Staff Specialist at Epworth Hospital as well as an ELS Instructor. Carmel is currently studying the Graduate Certificate in Health Professional Education at Monash University and has a Bachelor of Literature (languages), in which she has a passionate interest.

### **Dr Paul Davey**

Dr Paul Davey is a General Practitioner at Leopold on the Bellarine Peninsula. Paul has been in general practice in the Geelong area for 24 years. He currently runs Travel Health Geelong a specialized travel clinic and has been doing travel medicine for the past 12 years. Paul holds the International Society of Travel Medicine (ISTM) Certificate in Travel Health and is a member of the Travel Medicine Alliance, an organization of travel clinics throughout Australia.

### **Dr Rob Karoly**

Dr Rob Karoly is the Consultant in Charge, Inner West Community Assessment Team (CAT) Royal Melbourne Hospital and the Coordinator of Psychotherapy training North West Mental Health.

### **Dr Peter Kirker**

Dr Peter Kirker is an urban GP Anaesthetist, one of the few remaining, and has worked for some years as an indemnity adviser, first for VMIA and currently with MIPS.

### **Dr Matthew Maiden**

Dr Matthew Maiden is a specialist in Intensive Care and Emergency Medicine and holds a range of clinical appointments at Royal Adelaide Hospital, Geelong Hospital, St John of God Geelong and Adult Retrieval Victoria (ARV). Through his role with ARV, he is able to pursue his interest in the support of the critically ill patient and GP in rural/regional areas. When not at work, he combines with his colleague Dr Ragg to form the rhythm section of their band "Torsion".

## SPEAKER PROFILES

### **Dr Mike Moynihan FACRRM**

Cambridge UK IMG who spent 10 years in Papua New Guinea, 15 years in solo rural practice and is now a GP Obstetrician in Swan Hill. He enjoys a wide style of practice and teaching, and follows Anthony Dixon's style of skin surgery.

### **Dr Michael Ragg**

is currently Deputy Director of Emergency Medicine at The Geelong Hospital. He graduated from Melbourne University sometime in the last millennium. He has a fellowship in Emergency Medicine, Diploma of Obstetrics and Gynaecology and post-graduate degree in Evidence Based Practice. His interests include clinical risk management, the use of ultrasound in the ED setting, resuscitation and evidence based medicine. When not doing these things, he can be found surfing or playing golf.

### **Dr Quentin Tibballs**

Dr Quentin Tibballs is a GP anaesthetist at Bacchus Marsh. He works tirelessly, organizing Anaesthetic updates for GPs in the State, is a rep on the State ASA, and works closely with us in RDAV.

### **Dr Belinda Welsh**

is a dermatologist based in Sunbury who also works in St Vincent's and the RCH. She greatly likes giving CPD to rural doctors and travels out when she can, including to Portland. She feels the selected topic will provide much in the way of useful tips.

### **Professor Greg Whelan**

Greg is well known for his pioneering work in the epidemiology of alcoholism, is an adviser for Turning-point, and has taken on Jack Warhaft's role in the Doctor's Health program. He is an adviser for MDAV/AVANT.
